SUPPLEMENTAL AMENDMENT

UNDER 37 C.F.R. 1.173(b)

Commissioner for Patents Washington, D.C. 20231

Dear Sir:

This paper is being submitted to correct the format of a previously requested change in the specification of this divisional reissue application.

IN THE SPECIFICATION:

Please delete the entire paragraph starting at column 11, line 30 and substitute therefore the following:

Referring now to FIG. 3, there is illustrated a flow chart including the basic process steps used by the microprocessor 34 in transmitting a data signal over the cellular telephone system. The coding of the process steps of this flow chart into the instructions suitable to control the microprocessor 34 will be understandable to one having ordinary skill in the art of programming, and is illustrated in detail in the appendixed microfiche program. The flow chart of FIG. 3 is begun at start block 86, and the microprocessor 34

b, Coy.
